Once we were far off, our sin separated us
You brought us back to you

Our death you died for us, raised up now victorious
Seated on high with you

God in all his fullness was pleased to dwell in Jesus

Through him reconciled all things

Everything in heaven and all of his creation

Was brought into his perfect peace

CHORUS:

Eb Ab
Jesus, the hope of all things glorious
Cm Ab
Jesus, in You all things are held together

Jesus, Your death has paid the price to set us free,
Bb Ab
You're all we need
Cm Bb/D Eb
We rejoice, we've been redeemed

Forever we're one with You
Now filled with your spirit, we call forth your kingdom
Let heaven come to the earth
