## VERSE 1:

Out of darkness, into light  
You have brought me back to life  
Oh my Saviour, what can I say?  
I'm astounded at the price You paid

## CHORUS:

On the cross You took away all my sin and shame  
On the cross You put to death everything that separates  
Now I am free indeed, I am wholly Yours  
For ever more (repeat)

## VERSE 2:

All my being, all my days  
All my life is now for Your praise  
You're so worthy of all I am  
Lord I give You my heart again (and again)

## BRIDGE:

I am covered by your kindness  
I'm surrounded by your goodness  
I am overwhelmed by the greatness of Your love
