VERSE 1:

What can I give?
To the One who gave it all for me
To the One who set this captive free
And me made me new

VERSE 2:

What can I say?
But pour out songs of endless praise
And tell of all Your goodness all my days
And forever more

PRE CHORUS:

All of my heart is Yours
Everything I am I give to You, Lord

CHORUS:

This is where You'll find me
Right here at your feet
Singing You a love song
Laying down everything

VERSE 3:

All that I want
And everything my heart longs for
Is to stay here in Your presence Lord,
To be with You

BRIDGE:

Your love keeps getting better
Your face keeps shining brighter
As this heart keeps falling deeper
In love with You
